

EPOS Purchasing Incentive from CLF Distribution

As part of our ongoing commitment to customers and our mission to empower the industry through strategic use of computer technology, we are pleased to offer your store a unique purchasing incentive in partnership with Emporio UK Ltd.

Put simply, CLF will pay up to £2,000* towards the cost of your EPOS system in return for a minimum spend commitment with CLF.

All we ask is that you increase your current average monthly spend** with us by at least £2,500 for a period of 12 months (an increase of £30,000 per annum – net amount after discounts). If you agree to commit to this, CLF will make a payment of at least £500 to Emporio UK Ltd as a contribution towards the cost of your EPOS.

Looking for a bigger discount? No problem!

This offer can be multiplied so you will receive a bigger discount the more you spend:

Monthly Increase in Purchases from CLF	Contribution from CLF
£2,500 per month over 12 months	£500
£5,000 per month over 12 months	£1,000
£7,500 per month over 12 months	£1,500
£10,000 per month over 12 months	£2,000

To take advantage of this offer, please let your Emporio representative know on 01202 837900 and they will arrange for the necessary agreements to be sent to you for signature.

**terms and conditions apply – see agreement letter for details*

***average monthly spend calculated from last 12 months sales – for new CLF customers, the average monthly purchase history will therefore be zero.*
